EXALTING JESUS NIGHT AND DAY THROUGH WORSHIP AND PRAYER

About IHOP-TLH

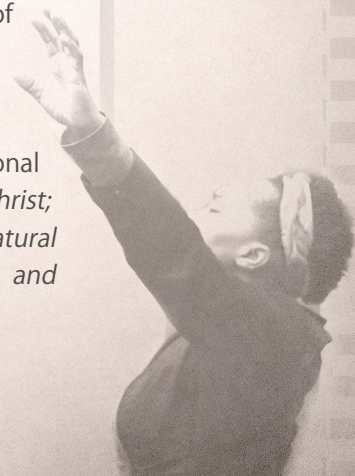

WE ARE A MISSIONS BASE DEVOTED TO NIGHT AND DAY PRAYER unto the fulfillment of the Great Commission and the return of Jesus. Our vision is to establish individuals in intimacy with Christ through 24/7 prayer and worship.

WE ARE TRAINING A GENERATION to give themselves to a lifestyle of prayer, worship, fasting, and radical obedience. These prophetic messengers boldly proclaim the Word of God, while contending for God to break in with revival in every sphere of society.

We aim to maintain an expression of night and day prayer in Tallahassee and the Southeast US region, built on the “rock” of the revelation of Jesus (Mt. 16:18-19), motivated by His worth, unto perpetual worship and intercession, devotion, supernatural ministry, and acts of compassion and obedience.

THE FOUNDATIONAL FOUR WELLS

Our Missions Base is established on four foundational wells of ministry. They are *intimacy with Christ; perpetual worship and intercession; supernatural prophetic ministry; acts of compassion, justice, and obedience that exalts Jesus.*

THE PRAYER ROOM

Prayer and worship both focus on the ultimate end of everything in God's heart: His own glory. The desire for Jesus' glory to be seen is the foundation for the prayer room and the primary reason it continues each passing moment.

Luke 18 teaches that night and day prayer is vital if a city is to witness the fullness of revival. It is for this reason that the Prayer Room, in essence, is the center of all that goes on at our Missions Base. Prayer is the engine that drives change in the spiritual atmosphere over this region and turns the nations of the world to the revelation of Jesus Christ.

OUTREACH AND EVANGELISM

We believe that evangelism is most effective in the context of night and day prayer as we pour out our lives before Jesus. When our hearts deeply experience the love of God in the place of worship and intercession, we are empowered to give ourselves to the labor of the work of the Kingdom with greater diligence, authority, and power.

Our evangelism focuses on revealing Jesus' love and hope. More than humanitarian sympathy, our outreaches have an eternal perspective.

BOUND4LIFE TALLAHASSEE

B4L-TLH is a grassroots prayer movement for the ending of abortion, the increase of adoptions, and the establishing of righteous laws in our government.

A woman with long dark hair is shown from the chest up. She has a white tape with the word 'LIFE' written in black capital letters over her mouth. The background is a solid dark red color.

What would happen in the state of Florida if someone implemented God's strategy of releasing spiritual power to eradicate this blight on our land? God is calling for a generation in this hour who will build up a wall and stand on behalf of our nation (Ezekiel 22:30).

Our stand is not a protest but a silent prayer meeting. With LIFE tape on our mouths, we make our appeal to the Judge of the earth and ask Him for speedy justice to be released.

HEALING AND PROPHECY ROOMS

Our healing and prophecy rooms exist for one purpose: to be catalysts for the work that the Holy Spirit desires to do. He is a Healer and Comforter; a Helper and Guide into the deep truths of God. It's with this reality that we operate the healing and prophecy rooms.

We believe that God interacts with man in the same way that He did in the Gospels and the book of Acts. Jesus said, "...he who believes in Me, the works that I do he will do also; and greater works than these he will do..." (Jn. 14:12). This is an assurance that God still works through healing and prophecies.

PARTNERS

INVITATION TO PARTNER

We have a unique opportunity to raise up a house of prayer in Tallahassee, FL. From this "furnace" of prayer and fasting, we equip believers to be burning and shining lamps who proclaim the love of Christ and His second coming, while laboring for the Great Commission and living the Great Commandment (Mt.22:37) with signs and wonders. Through night and day prayer, worship, and encounter, we desire to see revivalists emerge who confront culture with truth and righteousness and become a catalyst of change for the Lord.

Your partnership funds night and day prayer, our internship and school of ministry programs, outreaches, facilities and the future campus of our Missions Base.

Will you partner with us in raising up the House of Prayer in Tallahassee by supporting us on a monthly basis? Your gift, no matter how big or small, makes a significant difference. Our vision can only be brought forth by the support of people like you who will commit to stand alongside us in prayer and finances. Truly, may it be said that the Lamb is worthy to receive the reward of His suffering in Tallahassee and the nations of the earth!
